Description:

Advanced SystemCare Ultimate 11 is a powerful and full-scale antivirus utility for PC security and performance. It provides a one-stop solution to clean, optimize, speed up, and protect your

system.

With the new IObit Anti-ransomware Engine and the world-leading antivirus engine Bitdefender, Advanced SystemCare Ultimate 11 brings PC security to a higher level. It not only prevents your files from being encrypted by hackers and illegal access by third-party programs, but also protects your PC against various viruses and malware. Advanced SystemCare Ultimate 11 also optimizes and enhances several important protections like FaceID, Homepage Advisor, and Surfing Protection & Ads- Removal to better secure your privacy and provide ads-free online surfing.

Meanwhile, Advanced SystemCare Ultimate 11 offers you 1-click approach to achieve top PC performance. The redesigned Performance Monitor monitors and displays your PC's RAM/CPU/Disk usage, CPU/GPU/Mainboard temperature, and fan speed more accurately in real-time. What's more, it allows you to quickly end the processes that slow down your PC to make it more responsive and run faster.

Last but not least, Advanced SystemCare Ultimate 11 rebuilds and improves over 10 useful tools, such as IObit Undelete, Startup Manager, Internet Booster, Registry Cleaner, and Disk Cleaner to make old PCs last longer and new PCs run faster!
