Description:

IObit Uninstaller 6 offers the easiest and fastest solution to completely delete programs, useless Windows Apps, problematic Windows updates and browser plugins. Even it's a malicious plugin or toolbar that can't be removed by the anti-malware programs. With a larger database, IObit Uninstaller 6 detects and removes more malicious browser plugins, tool-bars and injected programs to protect most web browsers including Microsoft Edge. With enhanced Powerful Scan, all leftovers can be removed completely just like they were never installed in your PC. What's important, IObit Uninstaller 6 offers to create a Restore Point before you uninstall any program to help you undo a mistake quickly.

What's new:

+ Added removing Microsoft Edge plug-ins and extensions.

+ Larger database to remove more malicious & ad-based plug-ins for safer and faster browser.

+ Supported uninstalling more than 4,000 stubborn programs & browser plug-ins with helpful hint.

+ More thorough and faster Powerful Scan.

+ Better supported uninstall of Windows Apps & problematic Windows Updates.

+ Optimized real-time monitoring of leftovers missed by other uninstall programs.

+ Supported two skins and large font size for better user experience.

+ Supported 38 languages.

+ More can be discovered by you.
